"Integrating Food Innovation and Management for Sustainable Food Security"

Virtual Poster Presentation Guidelines for IFRC 2026

To ensure a smooth and efficient session, presenters are kindly requested to follow the guidelines below;

Virtual Poster Submission

- Only Electronic Posters (E-Posters) in PDF format will be accepted.
- Printed posters or photographs of printed posters will NOT be accepted.
- The poster should provide a clear visual presentation of your submitted abstract.
- The virtual poster must be submitted before 18th July 2026.

Title of the Virtual Poster

It is recommended that the poster title match the submitted abstract. Minor modifications are allowed, as long as the original idea of the abstract is preserved.

Virtual Poster Size and Format

Submit the poster in PDF format only. Recommended size: **720 × 1080 pixels (portrait orientation, 9:16 ratio)**, optimised for online viewing.

The poster should include the following sections:

- Title, Authors, and Institution(s)
- Abstract
- Materials and Methods
- Results and Discussion
- Conclusion
- Acknowledgements
- References

File Naming and Identification

- Name the PDF file using IFRC ID and presenter name (e.g., 117-043 John D.).
- **Place the IFRC ID at the top right corner of the poster.**
